

# *“Working Together - Winning Together The American Way”*

**What:** A program from Christine Corelli for your entire organization to help your people through the challenges we are facing in the days, weeks and months ahead—living and working with instability, uncertainty, loss of security and safety, financial difficulties, an unstable economy—a country at war, feelings of anxiety and fear of further terrorist attacks. Most important: The message YOU want Christine to “drive-home” to your people regarding critical issues facing your organization.

**Why:** You need to set higher standards for performance and communicate the importance of handling their fear, rising to the challenges ahead and working together to help build a better future for themselves, their loved ones, your company and our country.

**What they will learn:** The importance of and “how to. . .”

- ☆ Cope with feelings of loss of security and safety
- ☆ Be accountable for their job role and their attitude
- ☆ Display camaraderie—a “we’re all in this together attitude”
- ☆ Make themselves VALUABLE to your company
- ☆ Work together as a cohesive team and be committed to your company
- ☆ Show initiative BEYOND their job description
- ☆ Display leadership and set an example for others to follow
- ☆ Create “guiding principles” and commit to them

**It will conclude with:**

- ☆ Messages of patriotism, resolve and hope
- ☆ WHY we have been forever transformed and must move forward
- ☆ Optional: An Experiential team-building exercise
- ☆ Optional: Uplifting and patriotic (If appropriate for setting) music performed by Christine

**Optional Program to Follow: “Redefining Leadership: Leading Through Crisis”** for executives and managers that will address:

- ☆ The new meaning of leadership in the current crisis
- ☆ How to lead your people through the tough times ahead and keep your sanity
- ☆ Establish a Sales/Service Excellence/Accountability culture
- ☆ Methods to alleviate stress in the workplace
